

# OULTON

PRIMARY SCHOOL

## Home Learning Projects

Year 6

### Daily Activities

Daily Reading – Please read for a minimum of 40 minutes per day. This can be as one 40 min block or split into two 20 min sessions. Write a summary of each day’s reading.

Practise spellings from statutory wordlists (a few each day)

One Grammar & Punctuation 10 minute test (sheet).

One Reading 10 minute test (book).

One Maths Workout (sheet).

One page of arithmetic (sheet) Complete on squared paper.

### Project: Money and its function in society

There are several tasks for this project. You can work through them in any order you like.

#### **If you have online access:**

**A studyladder account has been set up for you (your login details are in your pack). You can work through. Try to complete 2 or 3 tasks each day. There are some activities linked to recycling. This will be our topic later in the year so you could read through some of those too.**

**[researchify.co.uk](https://www.researchify.co.uk) is a research tool specifically set up for children. You can use it for any research you need to do.**

Of the tasks below, choose 2 per day, in any order, to be completed in your home-learning book. You can work independently or with a family member.

One point will be awarded for each complete task. Tasks in bold will be awarded two points.

Bonus points will be awarded for creativity, effort and presentation. Photographs can be emailed. If you wish to make up additional tasks of your own, bonus points will again be rewarded.

Write a postcard from a Rose Blanche’s father to Rose.	Design a poster to show a maths method	Draw a comic strip story.	Design a poster about recycling.
Do some gardening – get a picture as proof.	<b>Design a front cover for your Rose Blanche story.</b>	Create a PE circuit	<b>Design and make a game and the rules to play it.</b>
Write out a simple conversation in Spanish.	Make an advert to promote your futuristic invention.	Design a leaflet to promote our school.	<b>Learn a poem off by heart.</b>
Design and draw a futuristic invention	Write a poem	Investigate patterns in times tables	Cook something – picture as proof
