

# OULTON

PRIMARY SCHOOL  
Home Learning Projects

## Year 4

### **Daily Activities**

Reading – summarise what you have read to an adult. Aim for 2 sessions a day for 20 minutes.

Practise spelling/writing common exception words (a few each day). [www.spellingframe.com](http://www.spellingframe.com) can be useful

Maths fluency activities

Study Ladder activities

Times Tables Rock Stars

Travel to Tokyo challenge

Of the tasks below, choose four per day, in any order, to be completed in your home-learning book. You can work independently or with a family member.

One point will be awarded for each complete task. Tasks in bold will be awarded two points. Bonus points will be awarded for creativity, effort and presentation.

If you wish to make up additional tasks of your own, bonus points will again be rewarded.

If you are unable to print off the resources on the website to match these activities, then just record the work as best you can in the children's exercise book.

<b>Listen to the next chapters of 'Tins' on the school website</b>	Try one of the home Science activities. There are some links to home experiments on the school Facebook page	Write a letter to someone who is having to self-isolate by themselves (real or imaginary). What could you write to cheer them up?	Learn a new skill – knitting, rollerblading, making your parents a cup of tea, making your own lunch, tying your shoelaces.
Do some yoga – have a look at Cosmic Yoga on YouTube – <a href="https://www.youtube.com/user/CosmicKidsYoga">https://www.youtube.com/user/CosmicKidsYoga</a>	Create an obstacle course in your garden. Which one of your family members can run around the quickest?	Create your own boardgame linked to an area of Maths. It could be addition/subtraction/multiplication or division.	Design a medal/certificate for NHS workers. You could then display this in your window.
Write an adventure story and illustrate it.	<b>Make up a dance routine to your favourite song</b>	Design an album cover for your favourite artist. You could either draw it or do it on the computer.	<b>Make a dream catcher. Instructions are in the resource section on the school website.</b>
Make a sculpture out of recycled material.	Read a bedtime story with a member of your family.	Listen to an audio book. The link is on the school's Facebook page.	Design a new toy. Who is the audience? What is it made from? How does it work?
Learn how to say hello and goodbye in 5 different languages.	Bake something with a family member and then evaluate it. How could you improve it? Then try again.	<b>Design a new room for Willy Wonka's chocolate factory. What would be in there?</b>	Complete the Rocket Launcher experiment. Instructions are in the resource section on the school website.
Make/paint a .... and add it to your rainbow in your window.	<b>Learn some basic phrases in British Sign Language.</b>	Rock Painting: Grab some small rocks or pebbles next time you go out for a walk/in your garden and paint them as animals to create pet rocks!	Make a treasure hunt in your house for a younger sibling/parent to complete. Send pictures of it being complete to your year group email.
