Daily Activities

Daily Reading – Please read for a minimum of 40 minutes per day. This can be as one 40 min block or split into two 20 min sessions. Write a summary of each day’s reading.

Practise spellings from statutory wordlists (a few each day)

Maths fluency *one-a-day*. Complete the gold sheet for the day and try platinum for a challenge.

Complete tasks set on Purple Mash and Study Ladder

Watch BBC Bitesize Daily either on the TV via red button at 9.00am or at any time on iPlayer. Give the BBC Bitesize daily lessons <https://www.bbc.co.uk/bitesize/dailylessons> a go. They include games and quizzes. If you want even more, BBC Sounds will also be releasing daily 10-minute podcasts You can email us with any questions or send us screenshots to let us know how you have got on.

Project: Music from the past Take pictures/ videos and upload them to your Purple Mash work folder or email them to us y6@oulton.leeds.sch.uk

Research music from the decade your parents, grandparents or other older family members were born. What were the most popular bands or singers during this time? Perform a song from this decade and create your very own dance routine. Encourage your family members to join in with you. Explain how you could improve your performance.

Of the tasks below, choose 2 per day. You can work independently or with a family member. One point will be awarded for each complete task. Tasks in bold will be awarded two points. Bonus points will be awarded for creativity, effort and presentation. Photographs can be emailed or added to Purple Mash Blog. If you wish to make up additional tasks of your own, bonus points will again be rewarded.

Try one of the home science activities on the school website.	Draw a bird’s eye view of your house and label the rooms in Spanish.	Monitor how your heart rate changes during your daily exercise activity.	Write down any words you come across in your reading book that you don’t know and use a dictionary to find the meaning.
Help an adult with some tasks around the home: gardening, DIY, laundry etc.	Design a simple game using dice to practise a maths skill.	Learn a new skill; it could be anything – knitting, roller skating, making your parents a cup of tea!	Write a note to someone who is having to self-isolate (real or imaginary). Is there anything you could do to help them/ cheer them up?
Design a well-balanced menu for one day.	Help cook one of the meals from your menu.	Learn the capital cities of 10 European countries.	Draw the flags of 10 those European countries.
