

OULTON

PRIMARY SCHOOL
Home Learning Projects

Year 4

Daily Activities

Reading – summarise what you have read to an adult.
Practise spelling/writing common exception words (a few each day). www.spellingframe.com can be useful
Maths fluency activities
Study Ladder activities
Times Tables Rock Stars
Travel to Tokyo challenge

Of the tasks below, choose four per day, in any order, to be completed in your home-learning book. You can work independently or with a family member.

One point will be awarded for each complete task. Tasks in bold will be awarded two points. Bonus points will be awarded for creativity, effort and presentation.

If you wish to make up additional tasks of your own, bonus points will again be rewarded.

If you are unable to print off the resources on the website to match these activities, then just record the work as best you can in the children’s exercise book.

Listen to the next chapters of ‘Tins’ on the school website	Make an Easter Card and send it to a friend or family member who does not live with you.	Choose something in your house. Try sketching it with the techniques we taught in Art lessons.	Make a collage about something you are passionate about
Do some yoga – have a look at Cosmic Yoga on YouTube – https://www.youtube.com/user/CosmicKidsYoga	Hard boil an egg and decorate it. Think of some egg puns for example: Egg Sheeran. Send us your pictures	Egg drop challenge – See if you can make a parachute out of household objects that would protect an egg from breaking from a height of 5 metres. Let me know your results.	Design a film poster for ‘Tins – The Movie’ What images are you going to draw/what slogans will you use to interest people.
Test yourself on 10 of the common exception words	Make up a game you can play outside. Share it on Purple Mash so your classmates can try it.	Make an obstacle course for yourself or someone in your family. How long does it take for them to complete it?	Try and make a raft out of objects and materials in your house. See if it floats in your bath.
Make up your own exercise routine. Try it out with your parents and send pictures of them completing it to the Y4 email.	Go on Edinburgh Zoo live webcams and see if you can spot all the different animals. https://www.edinburghzoo.org.uk/webcams/panda-cam/	Design a paper aeroplane and race it against a family member. Experiment with materials/wingspan/force of throw to see how far you can make it fly.	Star gaze at night and write down/draw anything interesting you notice. Look at the astronomy resource sheet and see if you can spot any of them in the night sky
Learn some new card games with your siblings/parents	Practise the column method of addition and subtraction for 4 digit numbers	Write a dream diary. What do you keep dreaming about? Are they funny or scary?	Make a string telephone out of cups and string. How long can you make it and it still work?
Make/paint a pot of gold and add it to your rainbow in your window.	Learn the alphabet in British Sign Language.	Go on a bug hunt around your garden and house. Make a tally chart of how many different ones you find/see. Then put your results into a bar chart. You can either print off the templates or make your own table/graph in your exercise book.
