

Home Learning Projects

Class: Clownfish (Nursery)

Daily Activities

- Storytime: read with your child and let us know what you read in their scrapbook or on Tapestry. The Oxford Owl website (<https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/>) has some wordless reading books that can be accessed online for free.
- Practise spelling or writing your name
- Travel to Tokyo Challenge

Challenges

Of the challenges below, choose two per day, in any order. These should be completed in your home learning scrapbook or uploaded onto Tapestry. You can work independently or with a family member. One point will be awarded for each complete task. Tasks in bold will be awarded two points. Bonus points will be awarded for creativity, effort and presentation.

If you wish to make up additional tasks of your own, bonus points will again be rewarded.

<p>Learn to use a new tool with the help of your grownup, this could be something in the kitchen, garden or something used for arts and crafts. Your child could even use tools such as saws and real hammers if you are overseeing what they are doing! That would be an amazing experience.</p>	<p>Explore your garden or your local park during your daily exercise, how many minibeast will you find? Use the checklist to mark them off. What do you notice about each mini-beast?</p>	<p>Try something completely new – a new food, a new drink or a new experience. Let me know what you thought about it!</p>	<p>Read a rhyming story and talk about the words that rhyme in it. Can you think of any other rhyming words? Read one you have at home or try 'Oi Dog!' https://www.youtube.com/watch?v=8WzCjWk2mRw</p>
<p>Take some time to focus on how you are feeling. Can you talk about and recognise your emotions? Follow the 'Cosmic Yoga' episode on You Tube "We're going on a bear hunt". https://www.youtube.com/watch?v=KAT5NiWHFIU</p>	<p>Play noughts and crosses with someone from your house. Can you get three in a row to win?</p>	<p>Make an obstacle course. It must include : 5 star jumps 5 hops 5 spins Throw 5 items in a bowl/bucket</p>	<p>Using junk modelling materials make a boat. Remember it needs to be able to float on water and be waterproof. Once in is floating see how many items it can carry before it sinks!</p>
<p>Look out of your window – what can you see? If your child answers very simply e.g. 'a tree' extend upon this by telling them more about the tree e.g. 'Yes there is a tree outside, it is blowing because it is windy' or ask, 'Can you tell me more about the tree?'</p>	<p>Using pens and pencils, make different shapes. What can you say about each shape? How many sides? Corners? What do the sides look like?</p>	<p>This week's theme for your window display is 'real life heroes'. You may like to add a picture of a family member or a key worker who is a hero to you.</p>	<p>Make a sandwich bag green house for a bean to watch it grow. What do you notice? https://www.midgetmomm.com/sandwich-bag-green-house/</p>

<p>It is International Day of the Family on Friday. Plan an activity to do with your family and take photographs of it. Use them to write a recount in your scrapbook.</p>	<p>Create a family portrait and email a photograph of it to YN@oulton.leeds.sch.uk so that we can put it on our social media pages.</p>	<p>Plan a family movie night. Pick your favourite film then make a film poster and tickets inviting your family to watch!</p>	<p>Help set the table for a family meal. How many plates will you need? How many forks and knives? Help make and serve the drinks for your family.</p>
<p>This week's scavenger hunt challenge: how many objects can you find that are bouncy?</p>
