

**Home Learning Projects**

Class: Seahorses and Jellyfish (Reception)

**Daily Activities**

- Daily Reading: Please record your child's reading in their reading record as usual.
- Daily phonics lessons online (see letter)
- Practise spelling/writing tricky words (a few each day)
- Practise of letter and number formation
- Purple Mash activities
- Travel to Tokyo Challenge
- Practise recognition of digraphs and trigraphs already taught – say the sound (phoneme) when shown the letters (graphemes) <https://www.youtube.com/watch?v=SKf8coVCLwA>

**Week 6 Challenges**

Of the challenges below, choose two per day, in any order. These should be completed in your home-learning scrapbook or uploaded onto Tapestry. You can work independently or with a family member.

<p><b>Whilst you are out on your daily walks this week, collect some sticks and use some string to make different 3D shapes. Take a photograph and upload it to Tapestry.</b></p>	<p>Make up a game about spelling words and play it with a grown up.</p>	<p>Kangaroo challenge: How far can you jump? How could you measure how far you jumped? Can anybody jump further than you?</p>	<p><b>Make a Planning Pot with your family. Write down all the things that you would like to do once things return to normal and put them in your pot (or box/jug). Use them to plan your family time together in the future.</b></p>
<p>Recreate a book cover using props and a camera.</p> 	<p><b>Play the Lego board game which can be found on our school website. If you don't have any Lego, you can still play using another resource like pasta pieces, cereal hoops or even hair bobbles.</b></p>	<p><b>Open your own café in your kitchen. Make a menu and set the tables before inviting your family to dine. Take a photograph and upload it to Tapestry.</b></p>	<p>Using pebbles, stones, petals, create your own nature puzzle. Can you fill all the gaps in your puzzle?</p> 
<p>Create a real life hero to add to your window display.</p>	<p>Make your own nature crown. Stick the beautiful things that you find on your walks to a strip of card or paper that is long enough to fit around your head.</p>	<p>It is International Nurses Day on 12<sup>th</sup> May. Think of something that you could do to thank them for helping us and keeping us safe.</p>	 <p><b>Spatial Awareness Nature Puzzle</b></p>
<p><b>It is International Day of the Family on Friday. Plan an activity to do with your family and take photographs of it. Use them to write a recount in your scrapbook.</b></p>	 <p>On a sunny day, create your own water wall. Can you make the water run from the top to the bottom?</p>	<p><b>Create a family portrait and email a photograph of it to <a href="mailto:YR@oultton.leeds.sch.uk">YR@oultton.leeds.sch.uk</a> so that we can put it on our social media pages.</b></p>	<p><b>Pick a sunny day to have a look for ladybirds and talk about half and double. Notice how many spots there are on it. How many spots are on each wing?</b></p>

**This week's scavenger hunt challenge: how many objects can you find that are *prickly*?**
