The links are available on the school website.

Of the tasks below, choose four per day, in any order, to be completed in your home-learning book. You can work independently or with a family member. One point will be awarded for each complete task. Tasks in bold will be awarded two points. Bonus points will be awarded for creativity, effort and presentation. If you wish to make up additional tasks of your own, bonus points will again be rewarded.

Create a family portrait	Do some yoga – have a look at Cosmic Yoga	Learn your favourite song in sign language	Choose 3 random times tables facts that you struggle with and stick them on post-its around your house
Make a story sack using your favourite book and items which relate to the story.	Use a balloon to play balloon volleyball or table tennis.	Complete the worksheet on historical artefacts	Follow a recipe to make something tasty. Remember you may need adult supervision
Write the first chapter of a sequel/prequel to 'The Explorer'	Teach yourself how to juggle	Make a sock puppet and put on a puppet show for you family	Test yourself on another 15 common exception words. Practise the 'no nonsense' methods on those you get wrong
Create a glossary of vocabulary relating to rivers	Research and write down facts about William Shakespeare	Make your own playdough or salt dough and use it to make models	Measure 10 objects you can find in your kitchen in cm and then convert them to inches
Use the internet to learn how to say 'hello' in 5 different languages	Complete the 'Stickman Angles' worksheet	Have a go at the 'Fun with Density' Science experiment	Create a family tree – you can use one of the templates provided or create your own
Make your own simple musical instrument using empty cardboard boxes and containers	Use a phone or tablet to make short stop-motion animation of toys moving across the room	Charades - act out a TV show, book, film or song for others to identify.	Try and build the tallest free-standing tower using dried spaghetti and one 30cm piece of sticky tape
