

Year 2 Home Learning Timetable w/c: 22nd June 2020

	Reading	Spelling, Punctuation and Grammar	Writing	Maths	Maths Fluency Task	Science	Wider Curriculum (Art)	Additional Activities
Monday	<p>Read the text about 'Layers of the Ocean' carefully and answer the questions. Make sure you write your answers using full sentences.</p>	<p>Practise your spelling, punctuation and grammar skills by completing Monday's SPaG mat 5</p>	<p>Listen to the story 'Meerkat Mail' by Emily Gravett https://www.youtube.com/watch?v=DcwuTRQ16MU U This week we will be writing postcards from different habitats around the world, just like Sunny in the story. Using the 4 photos. Write a word bank of adjectives for each habitat to help you when you write your postcard. - include animals you would be able to see there.</p>	<p>Play 'Who can roll the highest' game.- take turns to roll a dice 5 times, add your score together. Who scored the highest number? - challenge. Same game as above but you can now roll the dice twice to take points away from your opponent.</p> <p>Complete Monday's addition and subtraction problems</p>	<p>Four calculations</p> <p>Solve the calculations and answer the problems by using the correct colour for the answer.</p>	<p>Sources of food Watch short clip on the type of food animals eat. https://www.bbc.co.uk/bitesize/clips/zwfd2p3 Herbivore, Omnivore, Carnivore, Write a list of animals under each heading on a table. Next to the animal, suggest where they get their food from.</p>	<p>This week you will be producing a piece of artwork on food chains. It is up to you how you chose to display your food chain. You could make an informative poster, a collage or a model.</p> <p>Some examples have been provided.</p> <p>I can't wait to see what you come up with!</p>	<p>Gardening- It is hopefully going to be a warm week this week.</p> <p>Check your plants have had enough water every day.</p>

<p>Tuesday</p>	<p>Write a character study for a character in a story you are reading or from a familiar story.</p> <p>Use the template provided to help you.</p>	<p>Add the correct suffix to each root word and then sort into the correct column.</p> <p>Can you use the words to write 3 sentences?</p>	<p>Watch the short video exploring the Antarctica (activity 2). - https://www.bbc.co.uk/bitesize/articles/zhr7mfr (As you watch, add any notes you wish to make to yesterday's word bank.)</p> <p>Write a postcard from the Antarctic using the success criteria.</p> <p>A template is provided but the task can be done in your books.</p>	<p>Complete Tuesday's work on addition and subtraction using 2 digit numbers.</p> <p>If anyone is struggling these are two lessons on adding and subtracting with 2 digit numbers.</p> <p>WhiteRose lesson on subtracting 2-digit numbers https://vimeo.com/415699365</p> <p>WhiteRose lesson on Adding 2-digit numbers https://vimeo.com/415699218</p>	<p>Partitioning numbers</p> <p>Complete the partitioning numbers table.</p>	<p>Watch BBC bitesize short video clip here</p> <p>Explore food chains outside- Can you find any parts of a food chain?</p> <p>Look at some leaves (the producer), can you find any insects (prey/consumer) consuming the plant? Discuss what would happen to the rest of the food chain (predator).</p> <p>Make notes and observational drawings of what you find.</p>		<p>Learn a new skill-</p> <p>Have a go at making some monster origami book corners.</p> <p>Follow the instructions on this video to help you.</p> <p>https://www.youtube.com/watch?v=YVkJPCp_1UQ</p>
<p>Wednesday</p>	<p>Read the text about 'Birds in your garden' carefully and answer the questions. Make sure you write your answers using full sentences.</p>	<p>Practise your spelling, punctuation and grammar skills by completing Wednesday's SPaG mat 6.</p>	<p>Watch the short video on deserts https://www.youtube.com/watch?v=n4crvs-KTBw (As you watch, add any notes you wish to make to Monday's word bank.)</p> <p>Write a postcard from the desert using the postcard success criteria.</p>	<p>Play a 'Mental Maths Train' game on Topmarks - Practice mixed multiplications.</p> <p>Complete the multiplication and division problems for Wednesday.</p>	<p>Place value</p> <p>Answer the questions on place value</p>	<p>Work through the worksheet on Food Chains.</p> <p>Do you remember what a producer is? (<i>They make their own food</i>)</p> <p>Do you remember what a consumer is? (<i>They get their energy from eating other living things</i>)</p>		<p>Key phrases in a new language</p> <p>Learn how to say the name of 3 of your favourite animals in 5 different language.</p>

<p>Thursday</p>	<p>Create a book review for a story you have recently read.</p> <p>There is a template provided if needed.</p>	<p>Practise adding the suffixes 'er', 'ed', and 'ing' to words.</p> <p>Complete castle task.</p>	<p>Watch the short video exploring the Rainforest https://www.youtube.com/watch?v=fGXYULMDpSk (As you watch, add any notes you wish to make to Monday's word bank.) Write a postcard from the Rainforest using the post card success criteria</p>	<p>Multiplication and division</p> <p>Complete Thursday's maths problems on Multiplication and Division.</p>	<p>Fill out the table by naming and describing the properties of 2D and 3D shapes</p>	<p>Fold a piece of A4 paper into a 6 page mini book. (instructions included) Create a book about different food chains that you can find in different habitats. You must include: A Title page A Contents page A food chain from -a coastal habitat -an ocean habitat -a desert habitat -an arctic habitat -a woodland habitat -a blurb. (This is a mini book, you will have to keep your drawings and writing small and neat. Take your time)</p>		<p>Cooking with an adult</p> <p>Have a go at baking a cake. It can be a big celebration cake or little fairy cakes. If you have too much left over, why don't you offer some to your neighbour 😊</p>
<p>Friday</p>	<p>Enjoy re-reading your favourite picture book.</p> <p>Can you retell the story in your own words?</p> <p>You may want to make a story map to help you re-tell the story.</p>	<p>Play the free suffix online game on Phonics Bloom. https://www.phonicsbloom.com/uk/game/suffix-factory-set-1?phase=6 Do you know what rule is needed to apply a suffix to the root word?</p>	<p>Watch the short video on Woodland habits https://www.youtube.com/watch?v=OLBSOKqVNcU (As you watch, add any notes you wish to make to Monday's word bank.) Write a postcard from the Rainforest using the post card success criteria</p>	<p>Use the inverse to solve the problems.</p> <p>Roll a dice twice and write the numbers down. Use the numbers to write the addition, subtraction, multiplication and division sentences.</p>	<p>Complete the maths problem solving mat.</p>			<p><u>Create something</u></p> <p>This can be anything you can make: a dance routine, a song, a poem, a painting, a model from junk modelling... let your creative side shine!</p>
