

Year 2 Home Learning Timetable w/c: 29th June 2020

	Reading	Writing (History and English both have writing activities this week. You may want to focus on one if you find it too much)	Spelling, Punctuation and Grammar	Maths	Maths Fluency Task	Science	Wider Curriculum (History)	Additional Activities
Monday	<p>Read through the reading comprehension on 'David Attenborough' Answer questions using full sentences</p>	<p>This week we will be writing a leaflet about a new zoo.</p> <p>Read the letter from David Attenborough about him wanting your help to write a leaflet persuading people to come to his new zoo.</p> <p>Using the leaflet introduction and the question prompts, begin to plan an engaging introduction to your leaflet. Remember your zoo is fake so you can make up special things about the zoo such as zebra racing! 😊</p>	<p>Practice using the homophones- their, there and they're.</p> <p>Complete Monday's work in the SPaG document.</p>	<p>Today you are solving one-step addition and subtraction word problems.</p> <p>Complete Monday's work.</p>	<p>Complete Monday's problems using the four calculations.</p>	<p>This week we will be identifying and classifying living things in a range of ways. <i>You may also want to watch these short videos on animals throughout the week.</i> https://www.bbc.co.uk/bitesize/topics/z6882hv Today draw three animals from the land, the sea and the air. What do the animals in each group have in common? Do any animals fit into two categories. * <u>Thursdays activity could also be coloured in throughout the week as a relaxing activity*</u></p>	<p>This week in History we will be learning facts about the life of Jacques Cousteau and using them to make a biography. Watch 'Manfish The Story If Jacques Cousteau' and make notes on key pieces of information about his life using the table.</p>	<p>Gardening- Keep checking on your bug hotel. If you haven't had many visitors think why. What else might you need to add or change about your hotel?</p> <p>After a very hot week, check your Garden. Did you remember to water all your plants?</p> <p>Maybe you could leave some water out in a bowl for any thirst birds.</p>

<p>Tuesday</p>	<p>Using a familiar text or a story you have just read, answer the following questions: What is your character's problem? How is the problem solved? Use part of the story to form your answers.</p>	<p>Today you need to write your short introduction onto your leaflet using the work from yesterday. You then need to complete 'the middle back cover' and 'the front cover'- remember to use the template guide to help you.</p> <p>On the mat there are some examples of comments from visitors.</p>	<p>Practise your spelling, punctuation and grammar skills by completing Tuesday's SPaG mat 3</p>	<p>Today you are solving two-step addition and subtraction word problems.</p> <p>Complete Tuesday's work.</p>	<p>Play Bingo game. Listen to the numbers being called. Do they match any of the partitioning sums on your board? Cover the square if it matches. Don't forget to shout BINGO if you win 😊</p>	<p>Today we will be sorting the animals into mammals, reptiles, amphibians, fish, birds and insects.</p> <p>(There should be 3 of each)</p>	<p>Research the questions so you have more information on Jacques. You may want to think of more questions of your own.</p>	<p>Learn a new skill-</p> <p>Have you ever wrapped a present for someone? Practise wrapping presents as neatly as you can (it can be a cereal box).</p> <p>Are you already great at wrapping a cuboid? Try wrapping a more unusual shape.</p>
<p>Wednesday</p>	<p>Read through the reading comprehension on 'Harry Kane'. Answer the questions using full sentences.</p>	<p>Today you will be completing the 'inside left cover' and 'middle inside cover'. Before you start brainstorm some ideas of special events that the zoo puts on during the summer holidays. Pick one and expand on it on 'inside left cover'. Use bullet points on the middle cover to note down the other ideas you thought of.</p>	<p>Practice using the homophones- their, there and they're.</p> <p>Complete Wednesday's work in the SPaG document.</p>	<p>Today you are solving one-step multiplication and division word problems.</p> <p>Complete Wednesdays work.</p>	<p>Complete the number sequences - counting forwards and backwards in 2x, 3x, 5x and 10x tables.</p>	<p>Today we will be classifying animals as either a herbivore, an omnivore or a carnivore.</p>	<p>Key phrases in a new language</p> <p>Learn how to say "I speak English" in 3 different languages.</p>	

<p>Thursday</p>	<p>Read through the reading comprehension on 'Amy Johnson'. Answer the questions using full sentences.</p>	<p>Complete the final page 'inside right cover' with information about the zoo's facilities.</p>	<p>Practise your spelling, punctuation and grammar skills by completing Thursday's SPaG mat 4</p>	<p>Today you are solving two-step multiplication and division problems.</p>	<p>Number bonds (up to 100) Solve the addition calculations using your number bond knowledge to 100.</p>	<p>Habitat Game Cut and shuffle the animal cards. Sort the cards into the correct habitat- time yourself as you do it. Make note of your time and try to beat it.</p>	<p>Write your biography for Jacques Cousteau. Use the biography key features for support with what to include.</p> <p>You may want to re-read the reading comprehensions from this week as they were all biographies.</p>	<p>Cooking with an adult Help prepare lunch with your grown up. Remember you have to help clear up as well!</p>
<p>Friday</p>	<p>Using a familiar text or a story you have just read, write a summary of thw book. Include at least four key details to support your summary.</p>	<p>Use today to go through your leaflet checking for spelling mistakes and punctuation errors. Can you add any more persuasive language to your leaflet? Also check and edit your history biography.</p>	<p>Complete the homophone quiz. - choose the correct homophone to complete the sentence. https://howtospell.co.uk/homophonesquiz.php</p>	<p>Use your various detective skills to solve the mystery of the stolen crown. (This can be completed over a couple of days as it is quite long.)</p>	<p>Play 'Hit the Button' game on Topmarks. Play the numberbonds-subtraction within 100 game. https://www.topmarks.co.uk/maths-games/hit-the-button</p>	<p>Play this animal sorting game, can you sort the animals in a way which gets you the most points? https://www.brainpop.com/games/sortifyanimals/?topic_id=</p>	<p>re-read the reading comprehensions from this week as they were all biographies.</p>	<p>Create something This can be anything you can make: a dance routine, a song, a poem, a painting, a model from junk modelling... let your creative side shine!</p>
